Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from A Fisherman s Paradise That part of the Province of Quebec lying east of Montreal is a narrow strip of cultivated country along the St. Lawrence river, averaging perhaps twenty-five miles in width, and bordered on the north by a wild region, heavily forested and full of lakes and streams, the natural home of the Salmonidae and the moose. This wilderness is nearly all owned by the Province, which leases the lumbering rights under very strict regulations, and also the exclusive shooting and fishing rights at a reasonable annual rental. This policy provides a considerable revenue from the wild lands, while preserving the forests and the fish and game, as the laws regulating how much may be taken are rigid and strictly enforced. It has encouraged the formation of clubs, who purchase outright sites for their camps, erect buildings, connect the lakes and rivers by portages, lease their other grounds from the government, vary from the very ornate and costly to those of extreme simplicity, and control from a few square miles to several hundreds. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
