Enlightenment: A Shorter Path: 3rd Edition (Paperback)

By Ralphe Wiggins Ph D

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Throughout the ages, humans have long pursued a path toward enlightenment and many great thinkers, from Socrates to such current authors as David Hawkins and Jed McKenna, have offered wisdom on practices toward higher levels of both consciousness and enlightenment. In Enlightenment: A Shorter Path, scholar Ralphe Wiggins, Ph.D., builds upon his previous two books with an easy-to-use guide that offers eye-opening, actionable new insights and practices to advance any individual's spiritual growth. Anyone interested in obtaining a higher plane of existence will benefit greatly, and quickly, from this revolutionary new book. Unique among the vast array of spiritual books available today, Wiggins's latest book, Enlightenment: A Shorter Path, reveals a revolutionary technical approach to achieving higher states of enlightenment, which is based on the practice of his daily calibrations that can be integrated into everyday experiences. With numerous graphs and clear explications on the relationships among different properties of the self, the author's new technique can provide rapid results within spiritual, psychic, and health realms. The key realization presented in this edition is the integration of toxicity immunity...

Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

It is great and fantastic. Better than never, though I am quite late in starting reading this one. It's been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.
