(Merriam-Webster 1984: 289) (2) I m on my way to an appointment. (Merriam-Webster 1984: 290) In most of the existing languages we can find words, which sound different but have identical meanings. These words are called synonyms. The word synonym comes from Ancient Greek syn meaning with and onoma meaning name . But can two words really have exactly the same meaning Fromkin et al. does not agree with this definition, he states that no two words ever have exactly the same meaning even if they are synonyms (2003:181). Therefore synonyms are words carrying nearly similar meanings and whose usage is bound to the context. This means that one has to be careful in choosing a word; it might not carry the same meaning as the writer intended. Translation often causes irritation about which of the words fits better in a specific sentence. Especially...
