Reviews

*Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).
(Lexie Paucek PhD)*

HELL HOLE

Audible Studios on Brilliance, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Hell Hole is the fourth book in the mystery series featuring hardened former military PD and current Sea Haven, New Jersey, police officer John Ceepak and his partner, wise-cracking Danny Boyle. In Hell Hole, Ceepak is confronted with his most personal case yet when he must investigate the alleged suicide of a military corporal who recently returned from Iraq. When it turns out that this locked stall rest-stop suicide is anything but an open-and-shut case, Ceepak and Boyle realize that the corporal might have been privy to information that opens up a much larger conspiracy--one that strikes at the heart of our involvement in the Middle East and puts them on the wrong side of some very unpleasant people. Don t miss other adventures featuring Sea Haven s finest, including (in order) Tilt-a-Whirl, Mad Mouse, and Whack-a-Mole.
