

Long Days (Paperback)

By Maïke Wetzel

Comma Press, United Kingdom, 2009. Paperback. Condition: New. Translation. Language: English . Brand New Book. Demonstrating an unflinching insight into the internal worlds of adolescent men and women, this collection of stories presents an array of memorable characters. From a young woman seeing a dead body for the first time to a sister watching her anorexic sibling transform, this anthology delves deeply into people s lives, capturing their fears and frustrations against a backdrop of pressures at pivotal moments. In the background, an over-eager teacher might be explaining the facts of life in unnecessary, lurid detail, but in the foreground, students are taking secret, drastic measures. A gymnastics class may be limbering up for an impressive display, but in reality, its diet-crazed girls faint in alarming numbers. With pared down but insistent language, this compendium achieves a poise and clarity, presenting tales of humanity that are as captivating as they are conflicted.
