Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.All most people know of today are the false teachings within spiritualism that offers forced mediumship and healing without Jesus or Christianity. They have only been around for just over 100 years, but real mediums existed since time began. What are the differences in natural mediums and those borne of spiritualist teachings? How do those born with the gifts develop without classes? Demonstrations, readings or entertainment style done for money is all people tend to know of. How should the gifts be used if not in the ways just mentioned? What about natural mediumship and healing within the Orthodox Churches? Real or fake, natural or forced - the light and dark sides of both are discussed. Find out why, in Lorraine s eyes, spiritualism is likened to the Antichrist. .The devil works in the pale greyness of the dark side, as much as he does the deep blackness. In fact, grey is his favourite colour, as it is the one where most people are trapped.
