SYMPHONIE FANTASTIQUE

BookSurge Publishing. Paperback. Condition: New. 608 pages. Dimensions: 10.0in. x 7.0in. x 1.4in. Four novellas and an appendix of two stories and an essay constitute *Symphonie Fantastique*. The titles of the four novelettes are *At Last The Distinguished Thing*, *Steiglitzs Folly*, *The Mozart Machine*, and *Intrusive Voices*. *At Last The Distinguished Thing*: my title does all the limning and adumbrating I want. The cognoscenti will seize and devour the hint. The elderly gentleman dying in London in February 1916 is not identified by name until mid-point in the novella. Divided into four sections, the novella is told in a variety of voices whose variable visions add up into a harmonious whole. The first part is narrated by the dying writers valet, a British WW I veteran. The second section is narrated primarily by the writers amanuensis Theodora Bosanquet. The third section is narrated by the writers sister-in-law Alice. The final section objectifies the inner struggle of the dying author through the creation of a ghost mechanism. The ghost or another self of the author has emerged from the confines of the authors body and is looking down over it. This other side has been trying to make its presence known for years. It is the part of the author that has longed for human involvement, a part of his nature he has always repressed. The ghost accuses the author of being for most of his life frosty and dispassionate in his relations with men and women and of becoming as much of a vampire as his old nemesis Richard Wagner. The great friend of the authors youth, a Russian painter, had fallen under the sway of the German. He had been pulled out of the writers orbit into Wagners. *Steiglitzs Folly*: in the summer of 1973, Franz Steiglitz, a college professor...
