

California Dreaming: A Love Story (Paperback)

Filesize: 7.22 MB

Reviews

This pdf can be worthy of a read through, and superior to other. It generally does not expense excessive. Its been printed in an exceptionally simple way and it is just soon after i finished reading this ebook in which in fact modified me, change the way i really believe.
(Mr. August Hermiston PhD)

CALIFORNIA DREAMING: A LOVE STORY (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It has been said that all young marriages are tested and that marriage itself is a compromise with our animal nature. Stanley Kubrick s film, Eyes Wide Shut (1999) starring Nicole Kidman and Tom Cruise (who were actually married at the time of the filming) explored the theme that marriage is always under siege. What California Dreaming asks is, will the marriage of Lindsey, who is a woman s magazine editor, and Dana, who is a newspaper reporter set on practicing participatory journalism, survive the test of separation or will the temptations for both of them be too much?.
