COMPLETE RANDOMNESS OF THOUGHT (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Do you ever wonder what your life would have been like if you had made other choices? If you had gone left instead of going right or stayed in school instead of working for a living? The choices of the past no longer matter; I am where I want to be. Older, wiser, better prepared for the difficulties of college life than the typical college freshman. Walking across campus every day I notice little differences between my fellow students and myself; the grey hairs in my goatee, their freer laughter, and the easy smiles. Life experiences change you for better or worse but they change you. As the semester winds down and most of the students head home for the summer I just think about what I have yet to do before my life can move on.
