SOMETHING NEW: WHEN LOVE WALKS IN (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It had been a harrowing couple of years for Alexis and she felt like she was cursed. Every patient she touched died and it was only her first week under a new boss. Not to mention that her love life was nonexistent and she rarely slept in her own bed. She was hoping that would change when she met Mira, there was a glimmer of hope that it would. Coming up through the foster care system Mira didn't have much to look forward to. Nothing much but Justin her best friend and the success they both wanted. Now as resident surgeons they were well on their way and besides being slaves to their superiors they enjoyed their jobs. Only problem was she had a thing for the gorgeous to do Alexis Cruz, the same doctor who did not even seem to notice she existed. When she did make her existence known, Alexis had bolted for the hills. When Justin is almost killed in a car accident, and he lands on Alexis surgical table Mira demands Alexis save the one family member she has left. Alexis is hoping that her streak of bad luck doesn't cause her to lose her own resident and the best friend of the woman she had turned down. When passions flair in the midst of a thunderstorm, with the possible death looming over their heads, will tragedy be the end story or will they make something good and new out of a bad situation?.
