Random House USA Inc, United States, 2003. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Everybody s Gulf War Syndrome is a little bit different. Or so believes Larry, who returns home from Desert Storm to find his hair gone and his bones rapidly disintegrating. Then there s Lance Corporal James Laverne of the US Marines, who grows a third ear in Kuwait. And in the audaciously comic novella Notes from a Bunker Along Highway 8, a Green Beret deserts his team after seeing a vision of George Washington, only to find a new calling administering aid to wounded Iraqi civilians; he s hindered only by the furtive nature of his mission and an unruly band of chimpanzees. Together these narratives form a bracing amalgamation of devastating humor and brilliant cultural observation, in which Gabe Hudson fearlessly explores the darker implications of American military power.
