He is known for his series of novels in which he portrayed the encounter of Americans with Europe. James is considered to be the master of the novel and novella. James wrote about personal relationships and the power within these relationships. James explored consciousness and perception from the point of view of a character within a tale. The Figure in the Carpet is a short story published in 1896. The story begins I had done a few things and earned a few pence--I had perhaps even had time to begin to think I was finer than was perceived by the patronising; but when I take the little measure of my course (a fidgety habit, for it s none of the longest yet) I count my real start from the evening George Corvick, breathless and worried, came in to ask me a service. \*\*\*\*\* Print on Demand \*\*\*\*\*.
