It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

Cami Checketts blends suspense, humor, and good clean romance into a story that will stick with you. Daniel Coleman, Author of Gifts and Consequences Loved it. Loved it. Loved it. Have read all of Camis books but Blog This is on the top of my list. Read it twice and enjoyed it just as much as the first time I read it. Just when you think you know what is going to happen youre led into a different direction. Had a hard time putting the book down and was anxious to see how it was going to end.
