Christian Faith Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.After narrowly escaping a U.S. airstrike in Tunisia, Walid--the lead strategist for the terrorist group ISD--determined to seek revenge. ISD's emir tasks Walid with leading one of several critical attacks that will occur around the world, in hopes of ushering in the Messiah. But when Walid meets a diverse team of former special forces rebels in the underground church, he starts to see his group, and radical Islam, for what they really are. Instead of going on the run, Walid chooses to act as a double agent while he works with his new team to fracture ISD from within. His worst nightmare becomes a reality after he fails to prevent ISD's first attack on the United States, and nothing short of a miracle will prevent a cataclysmic domino effect. They must quickly learn who they can trust as they try to build alliances and influence, but will ISD discover that Walid is working to take them down? Covert Awakening will take the reader on a spiritual journey as the characters, who are based on real converts in the Near East, address issues of condemnation, forgiveness, and the overwhelming power of redemption as they adopt their new identities in Jesus Christ. Walid and his group are forced to rely on the Lord in an entirely new way that will make them key players in the current global awakening to God.
