Effective Leadership and Management in Nursing provides students with the necessary skills to make sound management decisions in a dynamic health care environment. Used worldwide, this award-winning book is now offered in an updated, revised edition to reflect the many changes in health care and nursing. Targeted to both practicing nurses and those in management, this book provides the tools for using the skills presented in each chapter, case studies with a managers checklist, critical thinking questions, key terms, an easy-to-read format, and a link to online instruction for students and faculty. In the ever-changing health care environment, nurses have never needed this information more. 368 pp. Englisch.
