

The Illness Is the Cure - 2nd Extended Edition: An Introduction to Life Medicine and Life Doctoring - A New Existential Approach to Illness

By Peter Wilberg

Createspace, United States, 2014. Paperback. Book Condition: New. Enlarged. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Peter Wilberg s application of timeless wisdom to . different aspects and areas of living shines new light, and brings important new information and perspective, to the topic areas themselves, and this new book is no exception. This approach often supplants misunderstanding, and/or fills in gaps and blind spots which currently exist in these topic areas, per the incomplete approaches of so-called conventional wisdom. By Living Unbound about the 1st edition. What if the illness is the cure - and not something to be cured? In a way that is clear and practically helpful to both lay readers, patients and health professionals alike, this book challenges the most basic assumptions of almost all forms of medicine - modern or traditional , scientific or spiritual - namely that illness is something to be cured rather than being the cure. To do so it draws on the work of Illich, Heidegger and many others to introduces a fundamentally new approach to health and illness - Life Medicine and Life Doctoring . Life Doctoring is a new form of...
