So how did Donald Trump become a serious contender in the race for the country's highest office? His critics think his run for president is a marketing campaign for the Trump brand. His supporters believe that he can make America great again. The only thing both sides can agree on is that Trump is a man whose appetite for wealth, attention, power, and conquest is insatiable. In this up-close-and-personal biography, author Michael D Antonio draws upon extensive and exclusive interviews with Trump himself to present the full story behind this American icon--from his early life to the headlines of today. Carefully reported and fair-minded. --USA Today A brisk and entertaining read. --The Washington Post Previously published in hardcover as Never Enough.
