Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Before my physical birth, spiritual chains and shackles were entangled about my tiny body. Even before I became flesh and blood and able to take my first breath, I was destined to be enslaved by demonic influences. My destiny of doom had already been predetermined by satan. The evil one was going to possess me. My ancestor s order from satan was to consecrate and set me apart for his handiwork. Giving tribute to their lord satan, my ancestors pledged their allegiance by performing a ritual. The deposit laid down sealing this evil agreement for my custody was a blood sacrifice. Throughout my childhood, I had to undergo bizarre and peculiar occurrences within the demonic realm and suffered a great deal of rejection along with unbearable torment. By the time I gave my heart to Jesus in 1976, I was possessed with legions of demons. After becoming born-again, I had to suffer through numerous deliverances over a 32 year span. Today I am able to walk in total freedom . I believe that through my blunt truthfulness about my experiences in satanism, people will know that Jesus loves them and has a plan for their life. Jesus willingly died on the cross, making it possible for all humans to be set free from satan s wicked devices and plots. Jesus seized every sin, hurt and disappointment placed it onto Himself and it was nailed to the wooden cross. The moment that Jesus died, satan was perfectly and utterly defeated.
