Reviews

This type of publication is every little thing and got me to seeking in advance and much more. I could possibly comprehend every little thing out of this created e publication. I am happy to explain how this is the finest pdf we have study in my very own life and can be the greatest ebook for actually.

(Miss Berenice Weimann Jr.)

EXPLORING YOUR LIFE: MINDFULNESS MEDITATION AND SECULAR SPIRITUALITY (PAPERBACK)

Inneraction Press LLC, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.How to practice spirituality without religion? Neuroscience finds that spontaneous acts of mindfulness decrease stress, depression and anxiety, increasing overall well-being. But studies also show that purposeful mindfulness techniques, such as vipassana or mindfulness meditation, are even more powerful. Mindfulness meditation re-wires the brain in a way that decreases physical pain and psychological suffering. Exploring Your Life: Mindfulness Meditation and Secular Spirituality examines the different roles we play in life, the power of mindfulness, and the concept that inner peace does not require religion or gurus, belief in God(s), the afterlife, or the supernatural.
