Books for a Better Life Award Winner Here is a landmark book that reveals the way boys think and that shows parents, educators and coaches how to reach out and help boys overcome their most common yet difficult challenges -- by the bestselling author who changed our conception of adolescent girls. Do you constantly struggle to pull information from your son, student, or athlete, only to encounter mumbling or evasive assurances such as It's nothing or I'm good? Do you sense that the boy you care about is being bullied, but that he'll do anything to avoid your help? Have you repeatedly reminded him that schoolwork and chores come before video games only to spy him reaching for the controller as soon as you leave the room? Where sports and video games can mean everything, but working hard in school frequently earns ridicule from the guys even as they ask to copy assignments. Where masterminds dominate and friends ruthlessly insult each other but can never object when someone steps over the line. Boy world is governed by social hierarchies and a powerful set of unwritten rules that have huge implications for your boy's relationships, his interactions with you, and the man he'll become. If you want what's best for him, you need to know what these rules are and how to work with them effectively. What you'll find...
