

Pet Manual (Paperback)

By Thomas Giovanetti, Oliver Lucanus

Barron's Educational Series, United States, 2003. Paperback. Condition: New. 2nd edition. Language: English . Brand New Book. This manual describes a species of hardy fish that can be kept indoors or in outdoor pools. Original goldfish are yellow, but as this book of advice for aquarium hobbyists explains, selective breeding produces goldfish in several colors, as well as with a variety of exotic features. Titles in Barron's wide-ranging and heavily illustrated selection of Complete Pet Owner's Manuals present reliable and useful information for pet owners. High-quality photos are in color and line drawings are anatomically accurate. These fact-filled books instruct owners on how to care for dogs, cats, birds, fish, caged pets, reptiles, and virtually every other animal that people are likely to keep as a pet. Books in this series are written by breeders, trainers, veterinarians, and other pet-care specialists. They advise on purchasing, feeding, health care, training, grooming, and all other aspects of responsible pet ownership.

Reviews

This published pdf is wonderful. it was writtern really completely and valuable. I found out this book from my dad and i recommended this pdf to find out.
-- **Dr. Bryon Gleichner**

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.
