

## Revive Us Again: A Daughter's Spiritual Journey (Paperback)

By Sharon Lundgren

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A book about my life as a Daughter of the King including my years serving as National President of the Order. I have been a Daughter of the King for half my life. My children do not know me without a DOK cross. When I joined the Order as a young mother, the Order numbered about 7000 worldwide. Over these last 30 years, I have seen the membership grow to over 30,000 - now on every continent and in Jerusalem! To me that is the best example of revival that I can think of. As I write my personal and spiritual journey, you will see how the Lord has woven the Daughter's history into my life. I have personally helped establish five chapters and have helped to revive many more. I am rejoicing in what the Lord has allowed me to participate in as a Daughter. My prayer is that others may be encouraged to pray for REVIVAL in the their families, their churches, and their communities. My prayer is that they too can rejoice in the Lord's blessings.
