You, Too, Can Make Money Selling Good Junk is about buying and selling ordinary, everyday items you can easily find at local estate auctions, garage sales and flea markets. This is NOT another book about selling fine antiques! Good Junk has been my ticket to success and financial independence, according to author Linda M. LaRock. She has turned her hobby of exploring flea markets and estate auctions into a successful small business. Linda defines the Good Junk business as the selling of memories and the rescuing of reusable, ordinary everyday household goods. Her system is a simple one. She buys items as inexpensively as possible and resells them for a profit. She regularly doubles and triples her money. She has sold many of her ordinary pieces for hundreds of dollars. According to Ms. LaRock it s about knowing what to buy and where to find it. You also need to know how to market it. In her book You, Too, Can Make Money Selling Good Junk, Linda provides you with her easy to read, uncomplicated formula. Not only will you find tips on buying and selling but Linda also teaches you how to organize your business, both online and in your home. After years of experience buying and selling Good Junk, it is now the time for her to share her ideas and formula for success with others. This book answers the question she is asked so often, How did you learn to do that?.
