Afterword by Jim Knight. Praise for Evidence of Practice Educators will appreciate that the authors tackle the issue of trust building while at the same time providing best practice and practical examples that promote successful implementation. An important tool that belongs in every school's professional library. - Stephanie Hirsh, Executive Director at Learning Forward This book fills a sorely needed gap in professional practice literature when it comes to best practices for video coaching, and it answers the important questions any educator might have when using video to improve teaching in the classroom. A nice balance between theory, practice and application. - Cary Goldweber, Executive Producer of Digital Products at ASCD Evidence of Practice clearly shows how video in observation and coaching can further strengthen our teaching practice. It belongs on the shelf of all administrators, coaches, and leadership teams--no matter your current level of expertise in the use of video for professional development. - Elena Aguilar, Author of Art of Coaching and Art of Coaching Teams We gain so much from being able to see on video what works...
