Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Sarah David (illustrator). Language: English . Brand New Book ***** Print on Demand *****. How much do you pay for your auto insurance? If you are reading this, the answer is most likely too much! You are looking for information that will help you save your hard-earned dollars, and you have found it. Ten Questions has been completely updated, revised, and expanded for 2012. It has also been reformatted for the Kindle at last, and the most effective way to use the guide is to own both the ebook and paperback versions. Ten Questions is not a book for dummies, but it is an easy to use, half-hour read, specifically designed to help save you money. It is a comprehensive and detailed explanation of the underwriting process involved in determining the amount of premium you pay. The facts and clear examples included in the guide are based on my years of experience as a top-rated Sales Agent, and the thousands of auto insurance policies I personally have sold. Chapter One, Risk will help you understand what factors are used to determine your rating tier, and how to improve them. The amount of premium you pay is determined by the amount of risk you are seen to represent. Much of that determination is made through your answers to a series of questions you will be asked, either online, or in person by an agent. These are the Ten Questions referred to in the title. Chapter Two, Discounts contains a detailed description of nearly every available auto insurance discount, and how to obtain them. A single 5 discount that you have been missing each policy term is costing you far more than this guide will. You will also gain the knowledge that...
