ROWMAN LITTLEFIELD, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. The goal of this handbook is to offer teacher educators a blue print for strengthening and extending traditional literacy field experiences to include service-learning components. As literacy teacher educators, Sulentic Dowell and Meidl demonstrate how teacher education can be transformed to include more authentic, meaningful, and preparatory field experiences. Adding service-learning components expands teacher education to more adequately prepare elementary education candidates to meet children s needs in 21st century, urban elementary classrooms. This handbook considers the need to redefine and reconfigure teacher education in regards to literacy teaching and learning.
