This book provides the essentials of the Christian life in a way that is theologically rich and and inspired by the discipleship teachings of past giants of the faith. It provides a solid theological understanding of the character of God, His purposes and desires for His people. It provides an occasion for inner transformation by teaching, asking questions and providing spiritual exercises that will allow God s Spirit to envelope the reader. It teaches spiritual disciplines that lead to Godly habits and enhance the quality of one s soul-life with God. It also seeks to help the reader to move out into the world as one sent by God to testify to the joyous grace of the God who is Love. This book and integrated study guide was developed with several groups of research participants who contributed to its refinement. It is ideal for individual study or for small groups.
