Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Military Studies To the late John Codman Ropes the author is deeply indebted for the help, valuable suggestions and unstinted encouragement received from that splendid character whose devotion and assistance to young men invariably won the lifelong affection and gratitude of all those who were fortunate enough to enjoy his intimate acquaintance. To Professor William Milligan Sloane also, the author of the well-known Life of Napoleon Bonaparte, the writer's debt of gratitude is no less great for the most valuable suggestions, corrections and encouragement which have enabled him to avoid the many pitfalls abounding in the political questions of the Napoleonic era. To major-general James Harrison Wilson, brigadier-general Wallace F. Randolph, Chief of Artillery; lieutenant-colonel Andrew B. Russell, Chief Ordnance Officer of the Philippines; lieutenant-colonel Marion P. Maus, aide-de camp to the lieutenant-general commanding; and Captain Edward C. Brooks, 11th Cavalry, in particular, as well as to other friends among the officers of the United States Army, the author returns his sincerest thanks for their kind interest and generous encouragement, which have stimulated him to unremitting efforts. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical...
