iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Recent stories of long term abduction have flooded our current news. Everyone wants to know why children stay with their captor even when opportunity presents itself. The media scrambles to get expert and eye witness interviews. We place the child in front of a camera to get that smile of relief. We fail to look deeper and ask the real important questions. The young boy stands there confused and afraid. They have just been ripped from all they know, captivity. That is all about to change. In reading the life story of a former abducted child and revisiting one of the first national cases of child stealing in America, *Throwing Stones; Parental Child Abduction Through the Eyes of a Child* gives a dark narrative look into the life of a seven year old boy ripped from all he knows, and later returned to a life of hell at the age of eleven. His baby brother raised to hate a woman he was too young to know. His older sister consumed with her own inner turmoil turns violently on him. Left alone to find his own way he befriends anyone who will give him a sense of self worth. A peaceful and quiet child at the beginning; little Kenny learns to lie, steal and attack anyone who he thinks is a threat. Scared to trust anyone, Kenny goes inward to protect himself. Infected with an internal struggle to hold on to dying memories of a loving mother ripped from him, he gives in. After many lies, little Kenny starts to protect the man he fears most, his Father. Regardless of his outward environment, he finds hope and strength from within. Clear and sobering, this...
