Reviews

This pdf is wonderful. It really is written in simple terms instead of hard to understand. It's been developed in an exceedingly simple way and it is just after I finished reading this ebook in which it in fact modified me, altered the way in my opinion.

Captain Carlos Enrique Diaz was born in Venezuela in 1959, graduated as a commercial pilot in 1981, and has been an airline pilot since 1986. He became an airline captain in 1992 and for nearly three decades witnessed and still lives the advances in aviation technology and safety. All of his major experience in aviation has been in the airlines environment. At the time of writing this book, he logged more than 19,000 hours of flight in airliners, most of the time flying passengers like you around in both short and long-haul routes and domestic and international flights. Now, a United States citizen (and at the time of writing this book), he continues to be an active pilot, acting as airline captain of wide-body aircraft. He lives with his wife of twenty-seven years, his daughter, son-in-law, and two grandchildren in Fort Lauderdale, Florida.
