

After the Revolution Has Passed Us by: An Experiment in Technological Expression

By Trisha Barnes

River Canyon Press, United States, 2011. Paperback. Book Condition: New. 228 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****. A revolution within a revolution. In this groundbreaking book, author Trisha Barnes has pushed the boundaries of expression and technology. The first book in the world to be created entirely from QR Code, the experimental and organic poetry contained inside speaks to the challenge of retaining essential human communication -- through contact and touch -- in an increasingly technological society. A revolution within a revolution -- the book bridges the gap between the written word and the electronic word, creating a genre called device literature. To read this title, use a QR CODE enabled electronic device to scan each page. Free QR CODE READER apps are available for many smart phones and other devices. Reviews

Thorough manual! Its this kind of excellent study. It really is written in straightforward terms and never difficult to understand. I am very happy to inform you that this is basically the very best pdf we have read through during my individual existence and could be the greatest ebook for possibly.

-- Dr. Arno Sauer Sr.

Thorough information for ebook enthusiasts. It is really fascinating through reading through period of time. It is extremely difficult to leave it before concluding, once you begin to read the book.
