WHERE SATAN S SEAT IS. (PAPERBACK)

Completelynovel, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. At the start of the last Century we had the outpourings of the Holy Spirit in Azusa Street in Los Angeles, in Cassell, in Germany and briefly in England. By the end of the last Century we had a Church in turmoil with so many splits, factions and rifts. Too many Preachers have been lining their own pockets, others simply watering down the Gospel in order to keep bums of their pews. Whatever they have been doing, they have not been acting as Watchmen like those of old, on duty keeping a watchful eye over those in their care, then shout out when dangers approached. No they would rather be tagged as sleepy dogs, which because they had their focus on other things, have let the Churches authority slip to the point where Politicians and Joe Public no longer have any respect for the Church and those who claim to represent Christ here on Earth. That is why it is perhaps not until now that you have ever heard of Satan s seat, let alone being told the actual place: - Where Satan s seat is.
