46 Pages: Thomas Paine, Common Sense, and the Turning Point to American Independence

By Scott Liell

The Perseus Books Group. Paperback. Book Condition: new. BRAND NEW, 46 Pages: Thomas Paine, Common Sense, and the Turning Point to American Independence, Scott Liell, Thomas Paine, a native of Thetford, England, arrived in America's colonies with little in the way of money, reputation, or prospects, though he did have a letter of recommendation in his pocket from Benjamin Franklin. Paine also had a passion for liberty in all its forms, and an abiding hatred of tyranny. His forceful, direct expression of those principles found voice in a pamphlet he wrote entitled *Common Sense*, which proved to be the most influential political work of the time. Ultimately, Paine's treatise provided inspiration to the second Continental Congress for the drafting of the Declaration of Independence. *46 Pages* is a dramatic look at a pivotal moment in our country's formation, a scholar's meticulous recreation of the turbulent years leading up to the Revolutionary War, retold with excitement and new insight.

Reviews

A brand new e book with a new perspective. I could comprehended every little thing using this written e publication. I am quickly will get a satisfaction of reading through a written ebook.
