

The Modern Traveller, Pt. 2 (ES 7-vol. set) (Hardback)

Filesize: 6.11 MB

Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

(Dr. Alberta Schmidt V)

THE MODERN TRAVELLER, PT. 2 (ES 7-VOL. SET) (HARDBACK)

Editon Synapse, Japan, 2014. Hardback. Book Condition: New. Reprint, Bilingual. 210 x 184 mm. Language: English . Brand New Book. Published by Eureka Press, Tokyo, and distributed outside Japan by Routledge. This is the second part of a new facsimile series which reprints The Modern Traveller, originally published in 30 volumes between 1825 and 1829. --Edited by Josiah Conder, known as the editor of journals like The Eclectic Review or The Patriot, The Modern Traveller was a successful series of travel books published just prior to Britain's transport revolution which saw the development and rapid expansion of roads and railways. --Reflecting Britain's imperial ambitions and the expansion of its Empire around the globe, the series had global range, including coverage of the Middle East, Africa, North South America, and Asia. It provided general readers with the latest information on each country's geography, history, political situation, culture, customs, major cities, travel routes along historic sites, scenic spots, and so on. --Each volume contains illustrations and foldout maps which are all faithfully reproduced in the reprint. -- The second part of the series is from the seventh volume to the thirteenth: the four volumes from the seventh to the tenth are for India; the eleventh for Burma, Siam, and Anam; the twelfth and the former part of the thirteenth for Persia; and the latter part of the thirteenth for China. -- Including very interesting description and views of Britain to the Asia in early 19th century, those volumes are valuable source for any researchers on the history of relationship between Britain and Asian countries. Extract from the New Introduction to the 1st part by Noriyuki Harada --- Publishing in the early nineteenth century greatly influences scientific reasoning and dissemination of knowledge. The Modern Traveller: A Description, Geographical, Historical, and...
