Toilets: A Spotter's Guide

By Lonely Planet

Paperback. Book Condition: New. Not Signed; Description: Loos with incredible views, lavish lavatories, outstanding outhouses - all are featured in this pictorial guide to the world's most stunning toilets. Toilets so often transcend their primary function of being a convenience to become a work of art in their own right, or to make a cultural statement about the priorities, traditions and values of the venues, locations and communities they serve. The lavatory is a great leveller - everyone feels the call of nature, every day - but being ubiquitous doesn't make it uniform....
