The report closes with a very complete and carefully analyzed bibliography. Arithmetic is the last subject discussed in Part III. Professor Jessup s recommendations are not only based upon a careful review and consideration of all other relevant studies and investigations but also upon the return showing the practice in the content of arithmetic in 867 cities having a population of 4,000 or over and in 114 counties of the United States. The following topics are treated statistically from the data secured: (1) the elimination of topics; (2) increased emphasis on topics; (3) the recitation-time distribution; (4) the percentage of drill; (5) grade textbook introduction; (6) grade emphasis on topics. A definite standard for attainment in the fundamentals is...

Reviews

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.
