The nurse called. Running my hand through my pixie-cut red hair, I gave the nurse a smile and stood up. With my parents in tow, I followed the nurse to an examining room. Ten seconds after the nurse checked my vital signs and shut the door behind her, there was a knock on the door. Immediately, Dr. Bolton walked in. Judging by the look on her face, I knew something was up. Judging by the panicked looks on my parents faces, they knew something was up. Looking at my Mom and Dad, Dr. Bolton said, I am glad that you both are here with Ashley today, because I have something to tell you. What is it, Patricia? Mom asked, gently. What did the tests show? Running a hand through her long, blonde hair, Dr. Bolton said solemnly, It shows that Ashley has developed Acute Lymphoblastic Leukemia.
