Good e-book and helpful one. It can be written in basic phrases rather than confusing. I realized this ebook from my i and dad recommended this book to find out.

DATING YOU / HATING YOU (PAPERBACK)

Gallery Books, 2017. Paperback. Condition: New. Language: English . Brand New Book. Everyone knows that all s fair in love and war. But these two will learn that sabotage is a dish best served naked. The first standalone romance by New York Times and #1 international bestselling author Christina Lauren (Beautiful Bastard) is a sexy, compulsively readable romantic comedy that dives headlong into the thrill and doubt of modern love. Despite the odds against them from an embarrassing meet-awkward at a mutual friend s Halloween party, Carter and Evie immediately hit it off. Even the realization that they re both high-powered agents at competing firms in Hollywood isn t enough to squash the fire. But when their two agencies merge--causing the pair to vie for the same position--all bets are off. What could have been a beautiful, blossoming romance turns into an all-out war of sabotage. Carter and Evie are both thirtysomething professionals--so why can t they act like it? Can Carter stop trying to please everyone and see how their mutual boss is really playing the game? Can Evie put aside her competitive nature long enough to figure out what she really wants in life? Can their actor clients just be something close to human? Whether these two Hollywood love/hatebirds get the storybook Hollywood ending, or just a dramedy of epic proportions, you get to enjoy Christina Lauren s heartfelt, hilarious story of romance in the modern world.
