

Atlas of External Diseases of the Eye (Classic Reprint) (Hardback)

By A Maitland Ramsay

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Atlas of External Diseases of the Eye The plates in this Atlas are, with the exceptions mentioned in the text, executed from photographs of actual cases, most of which occurred in connection with my work at the Charlotte Street Branch Of the Glasgow Eye Infirmary; and were originally prepared to illustrate my lectures on eye diseases at Queen Margaret College. It is hoped that, in their published form, they may be found useful to medical men in general practice, who may not have many opportunities of visiting the wards and clinique of an ophthalmic institution. Obviously photographs present only the phase Of the disease exist ing at the time, and leave preceding and Subsequent stages unrepresented, while some conditions are too acute to permit of the patient s being photographed. I have therefore endeavoured to make the letter-press not only descriptive of, but also complementary to, the plates, so as to give as faithful a clinical picture as possible of all the diseases dealt with. The chromo-lithograph plates are from photographs taken, and coloured, from life by Mr. A. H. Geyer...

A must buy book if you need to adding benefit. It really is simplified but unexpected situations in the 50 percent of your book. Its been developed in an exceptionally straightforward way and it is merely soon after i finished reading through this pdf where in fact transformed me, modify the way i think.
