Date :2009-10-1. Dear reader. when you open this full ETS. you be lifted there will be a new feeling. Because she not only provide you with a construction-based learning. inquiry learning. mastery learning and cooperative learning and other modern learning theory of new stars great prairie learning. but also by a number of interesting and valuable part to show you a new learning and learning content. Therefore. she is a downright. real generation aids. At present. the quality of education in the tide. driven by the new curriculum reform is carried out with fire. such as tea: educational philosophy in the event of profound changes. the curriculum in the event of profound changes in teaching content in the profound changes taking place in the classroom Teaching in the event of profound changes. education and evaluation in the event of profound changes. learning is also undergoing profound changes . . all of this. decided to guide the students learning aids must also be undergoing profound changes. Thus. the new generation of aids have come into being. What is the new generation of aids She should be a new concept - in line with requirements of quality education to meet the needs of the new curriculum reform; She advocates a new approach should be - to advanced learning theory as a guide. full of distinctive character; she identified The idea should be new - not only for the students to explore their own learning but also for cooperation partners in order to build knowledge and skills. processes and methods. attitudes and values ??of the system; her starting point should be based on new...
