JUST US BOOKS, 2015. Paperback. Condition: New. Language: English . Brand New Book. Christmas and Kwanzaa are right around the corner and Willimena is usually excited about her favorite time of the year. There are fun decorations, yummy food, the seven principles of Kwanzaa and, of course, gifts for both holidays. But this year, no one feels much like celebrating. Aunt Laura lost her job and Dad and Mom say that big changes are coming for the family--changes that mean Willie may not get that bike she wanted. Willie thinks she has it bad until she sees how these big changes are affecting her cousin Teddy. He s usually nice, friendly, and greets Willie with a grin. But lately, he s sad, mad, and downright rude.He doesn t seem to want to celebrate the holidays at all, and nothing Willie does to cheer him up is working. Christmas and Kwanzaa are supposed to be joyful, but this year is turning out to be the worst. Can Willie find a way to bring happy back to the holidays?.
