Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Adell Lubowitz)

OUTLINES OF LATIN GRAMMAR (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Outlines of Latin Grammar A little more than twenty years since, the writer published a book of Latin Lessons and Tables, the plates of which were destroyed in the great Boston fire in 1872. The references in grammatical etymologies and syntax were made to Andrews and Stoddard s Grammar, - so long a popular and standard text-book, - with also references to the added Tables. I quote, for a purpose, from the preface of that book: - We have added, with more labor on our part than in other parts of the book, a series of Illustrative Tables, They are designed principally to be supplementary to the Grammar, which, with all its excellences, is confessedly deficient in etymological and syntactical analyses, euphonic changes in inflection, etc., as are all the Latin Grammars yet published in this country. It must often have been a matter of surprise to the student of Latin, that, while so much has been done in this department in the Greek language, so little has been attempted in the Latin. The author finds on this subject the ground mostly unbroken, and very few way-marks to guide his investigations. He therefore claims the indulgence of his fellow-teachers in respect to many of his conclusions, for which he holds himself alone responsible. If this imperfect effort shall contribute to a more advanced system of Latin etymology and syntax, he will be rewarded for his labor. Since then almost every year has brought out a new Grammar, with more or less improvements in the points indicated in the above quotation. Two or three popular authors have improved upon themselves in new editions, with remarkable changes,...
