Brand New Book ***** Print on Demand *****.Synopsis: Even though the postmodern return of religion is dramatically shaping the future of twenty-first-century theology, its riches for preaching are rarely mined. *Preaching After God* highlights the trajectories of the postmodern return of religion by introducing readers to the positive theological themes stirring in the work of influential philosophers like Jacques Derrida, John Caputo, and Slavoj Zizek. Phil Snider shows how engaging their thought provides possibilities for preaching that highly resonate with postmodern listeners. Preachers familiar with the postmodern return of religion will appreciate its homiletical appropriation, while those introduced to it for the first time will discover just how much it is helpful for the preaching task. He mounts an impressive argument that homiletics of the event is the best way to reach a world . . . He has an ear for postmodern theory and the gift of telling us what preaching needs to be. A must read for theologians and preachers alike. --John D. Caputo, author of *What Would Jesus Deconstruct?* In this smart and readable...
