*This is an amazing book that I actually have actually read through. I am quite late in start reading this one, but better then never. You will not truly feel monotony at anytime of the time (that's what catalogs are for concerning should you ask me).

It is my hope that they will see how these values can help transform them into beautiful and strong adults. I decided to make this a coloring book, so that mommies daddies, grandmas grand pas, sisters brothers may read this story to their children and then spend quality time together coloring in the pictures the way they see them. We may not have a good beginning in life, however, it is possible for us to have a GREAT finish. The journey is where we grow!.
