Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Timeless Love is the story of handsome 22-year-old Dan Parker, a gay college senior who meets the mysterious history professor, Dr. Abraham Bram Percival Bronwyn, an acclaimed scholar who seems to know everything there is to know about history. Working as Dr. Bronwyn's research assistant on his newest book project, Dan feels an emotional and physical attraction toward the enigmatic professor, who looks to be around 33 or 34 years of age, but whose publications and accomplishments seem difficult to fit into such a short lifetime. Dan's life is complicated by his estrangement from his family, who rejected him when he came out of the closet, his struggle to earn enough money to finish his education, as well as a severe health problem-diabetes. Dan wakes up the next morning, naked in his own bed, uncertain if the sex had been a figment of his imagination brought on by a blood sugar crisis or if it had actually happened. The two give in to their animalistic lust and have a night of mind-blowing sex, but Dan's love for Bram is overpowering, and he accepts the professor's invitation to move into his palatial home. When Dan is severely injured and almost bleeds to death, Bram saves his life, but must reveal to his young lover that...
