FABER FABER, United Kingdom, 2005. Paperback. Condition: New. Main. Language: English . Brand New Book. The title-sequence of David Harsent s new collection of poems, Legion, offers a report from an unnamed war, in which various images of conflict accrue without cohering, as if the reader is locked inside the crisis together with the protagonists. In a series of momentary and abruptly discontinuous images, laconic despatches from a war-zone, a fictional testimony begins to take shape - an array of different voices giving witness to war and the consequences of war. In its formal mastery of the poetic sequence, Legion is a distinguished successor to David Harsent s previous collection, Marriage.
