Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Home Life in Colonial Days The illustrations for this book are in every case from real articles and scenes, usually from those still in existence - rare relics of past days. The pictures are the symbols of years of careful search, patient investigation, and constant watchfulness. Many a curious article as nameless and incomprehensible as the totem of an extinct Indian tribe has been studied, com pared, inquired and written about, and finally triumphantly named and placed in the list of obsolete domestic appurtenances. From the lofts of woodsheds, under attic eaves, in dairy cellars, out of old trunks and sea-chests from mouldering warehouses, have strangely shaped bits and combinations of wood, stuff, and metal been rescued and recognized. The treasure stores of Deerfield Memorial Hall, of the Bostonian Society, of the American Antiquarian Society, and many State Historical Societies have been freely searched; and to the officers of these societies I give cordial thanks for their cooperation and assistance in my work.
