Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Lesson Plans in English, Arithmetic and Geography: For Grades Fourth to Eighth These lesson plans were originally prepared as a part of regular class work in courses given by Professor Hall, Professor Mead and the Editor in the College for Teachers of the University of Cincinnati and in summer courses in Teachers College, Columbia University. They have been published from time to time in the Atlantic Educational Journal with many others from the same courses. These few have been selected to put in more permanent form with the thought that they may be of direct assistance to teachers and to those preparing to teach. Two ideas have determined the presentation of these plans and the slight changes that have been made in them. First, that definite planning of specific lessons is a prerequisite of good teaching. Leaving the preparation to the inspiration of the moment, with the class before the teacher, rarely, if ever, means suitable material, good organization of ideas, or good questioning. Elaborate lesson plans, on the other hand, with a multiplicity of...
