

Stresses in Masonry (Classic Reprint) (Paperback)

By Herbert Chatley

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Stresses in Masonry This little work Supplies, I believe, a felt want. Elementary treatises on steel-work are numerous, but a brief yet comprehensive account of the stresses in masonry has not yet, to my knowledge, been produced. I have assumed that the reader is familiar with mathematics only up to quadratics, all more advanced matter being relegated to foot-notes. Also I have assumed that a knowledge Of stresses in steel, such as is possessed by the majority of young engineers and architects in practice, is at the reader s disposal. Beyond this, I have endeavoured to make the matter as simple as possible, eliminating complex theory which may be a little more accurate, but does not adapt itself to design. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
