## Dead Men Walking (Paperback)

By Frankie Faunce Sr

Page Publishing, Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. When Frank Faunce looks at the Church, he sees a sleeping giant full of men and women who think that they are born again simply because they repeated a simple prayer years ago. What these people have never learned, Faunce submits, is that Jesus wants to be both Lord and Savior, that either He or Ego will occupy first place in any human s heart. As the author cleverly states, there is not room for two in the heart! Join Faunce on this extensive tour through the Scriptures as he lifts a prophetic voice in an attempt to wake an American church that has become infected with the spirit of Laodicea. Faunce particularly calls out the men in the Church to become M.O.G.S., Men of God, and see their families saved from judgment.
